

Biography

Jane Buchan

Jane Buchan is the Chief Executive Officer and one of the four original founders of Pacific Alternative Asset Management Company (PAAMCO), a leading independent fund of hedge funds investment firm dedicated to offering strategic alternative investment solutions to the world's preeminent sophisticated investors. Clients include large public and private pension plans, foundations, endowments and financial institutions.

PAAMCO constructs diversified portfolios of hedge funds for large institutional investors. The firm has a sector specialist, research-driven approach to investment management. In her investment role, Jane oversees the convertible bond as well as the sovereign debt and mortgage hedge fund allocations in the various PAAMCO portfolios Headquartered in Irvine, California, with offices in London and Singapore, the firm is committed to meeting the needs and demands of its global institutional client base both now and in the future.

Jane is highly credentialed with twenty years of experience in investment management and portfolio construction, beginning with her career at JP Morgan Investment Management. Prior to forming PAAMCO, she held positions ranging from Director of Quantitative Analysis to CIO of non-directional strategies at Collin Associates, an institutional fund-of-funds and consulting firm.

Jane received her undergraduate degree in Economics from Yale University and her Masters and PH.D. in Business Economics (Finance) from Harvard University. She is a member of the Investment Management Committee. In the field of market neutral and alternative investment strategies, Jane has numerous professional publications. Jane has also served as an Assistant Professor of Finance at the Amos Tuck School of Business at Dartmouth. Jane currently serves on the advisory board of the Chartered Alternative Investment Analyst Association (CAIA).
